Subpart A—General Definitions

§ 1703.1 Scope.

Definitions in § 1703.2 relate to the meaning of terms used throughout part 1703.

§ 1703.2 General definitions.

For the purpose of this part:

(a) *Appeals Officer* means the person designated by the Director to process appeals of denials of requests for OFHEO records under the FOIA.

(b) *Director* means the Director of OFHEO or his or her designee.

(c) *Document* means any record or paper, including but not limited to a report, credit review, audit, examination, letter, telegram, memorandum, study, calendar and diary entry, log, graph, pamphlet, note, chart, tabulation, analysis, statistical or information accumulation, any record of meetings and conversations, film impression, magnetic tape, or any electronic media, disk, film, or mechanical reproduction that is generated, obtained, or adopted by OFHEO in connection with the conduct of its official business.

(d) *Employee* means any officer, former officer, employee, or former employee of OFHEO; any conservator appointed by OFHEO; or any agent or independent contractor acting on behalf of OFHEO, even though the appointment or contract has terminated.

(e) *FOIA* means the Freedom of Information Act.

(f) *FOIA Officer* means the person designated to process requests for OFHEO records under the FOIA.

(g) *Official* means concerning the authorized business of OFHEO.

(h) *OFHEO* means the Office of Federal Housing Enterprise Oversight.

(i) *Person* means any individual, or any agency, corporation, partnership, trust, association, joint venture, pool, syndicate, sole proprietorship, unincorporated organization, or any other form of entity not specifically listed herein, but does not include OFHEO or any employee.

(j) *Record* means any document, regardless of form or format, which is created or obtained by OFHEO and which is under OFHEO control at the time of an FOIA request.

(k) *Requester* means any person seeking access to OFHEO records under the FOIA.

Subpart B—Documents and Information Generally

§ 1703.6 General rule.

Except as authorized by this part or as otherwise necessary in performing official duties, no employee shall in any manner disclose or permit disclosure of any document or information in the possession of OFHEO that is confidential or otherwise of a nonpublic nature, including that regarding OFHEO or the Federal National Mortgage Association (Fannie Mae) or the Federal Home Loan Mortgage Corporation (Freddie Mac) (collectively, the Enterprises).

§ 1703.7 Applicability.

(a) *General.* The FOIA and the regulations in this part apply to all OFHEO documents and information. However, if another law sets specific procedure for disclosure, OFHEO will process a request in accordance with the procedures that apply to those specific documents. If a request is received for disclosure of a document to the public which is not required to be released under those provisions, OFHEO will consider the request under the FOIA and regulations in this part.

(b) *The relationship between the FOIA and the Privacy Act of 1974.*

The Privacy Act of 1974 (Privacy Act), 5 U.S.C. 552a, applies to records that are about individuals, but only if the records are in a system of records as defined in the Privacy Act. Requests from individuals for records about themselves which are contained in an OFHEO system of records will be processed under the provisions of the Privacy Act as well as the FOIA. OFHEO will not deny access by a first party to a record under the FOIA or the Privacy Act unless the record is not available to that individual under both the Privacy Act and the FOIA.

(c) *Records available through routine distribution procedures.* When the record requested includes material published and offered for sale, e.g., by the Superintendent of Documents or the Government Printing Office, or which is available to the public through an established distribution system (such as that of the National Technical Information Service of the Department of Commerce), or material offered on OFHEO's website (<http://www.ofheo.gov>), OFHEO will first refer

the requester to those sources. Nevertheless, if the requester is not satisfied with the alternative sources, OFHEO will process the request under the FOIA.

§ 1703.8 OFHEO examination reports.

(a) *General.* Reports of examinations prepared by OFHEO may be disclosed only in accordance with this part or with the prior written consent of the Director. No person, agency, or authority, or director, officer, employee, or agent thereof, shall disclose any such report or information contained therein in any manner except as authorized in accordance with this subpart. The report of examination is the property of OFHEO and any unauthorized use or disclosure of such report may be subject to the penalties provided in 18 U.S.C. 641.

(b) *Enterprises.* The Director makes available to each Enterprise a copy of OFHEO's report of examination of such Enterprise. The report of examination is the property of OFHEO and is provided to the Enterprise for its confidential use only. Under no circumstance shall the Enterprise or any director, officer, employee, or agent thereof, make public or disclose in any manner the report of examination or any portion of the contents thereof to any person or organization not officially connected with the Enterprise as director, officer, employee, attorney, auditor, or independent auditor. Any other disclosure or use of this report except as expressly permitted by the Director may be subject to the penalties of 18 U.S.C. 641.

(c) *Government agencies.* The Di-

rector may make available reports of examination for the confidential use of Federal agencies responsible for investigating or enforcing applicable Federal laws.

§ 1703.9 Orders and agreements available to the public.

(a) *General.* OFHEO shall make the following documents available to the public:

(1) Any written agreement or other written statement for which a violation may be redressed by the Director or any modification to or termination thereof, unless the Director, in the Director's discretion, determines that public disclosure would be contrary to the public interest.

(2) Any order that is issued with respect to any administrative enforcement proceeding initiated by the Director under 12 U.S.C. 4631 through 4641 that has become final in accordance with 12 U.S.C. 4633 and 12 U.S.C. 4634.

(3) Any modification to or termination of any final order made public pursuant to this section.

(b) *Delay of public disclosure under exceptional circumstances.* If the Director makes a determination in writing that the public disclosure of any final order pursuant to paragraph (a) of this section would seriously threaten the financial health or security of the Enterprise, the Director may delay the public disclosure of such order for a reasonable time.

(c) *Documents filed under seal in public enforcement hearings.* The Director may file any document or part thereof under seal in any hearing commenced by the Director if the Director

determines in writing that disclosure thereof would be contrary to the public interest.

(d) *Retention of documents.* The Director shall keep and maintain a record, for not less than 6 years, of all documents described in paragraph (a) of this section and all enforcement agreements and other supervisory actions and supporting documents issued with respect to or in connection with any enforcement proceedings initiated by the Director under 12 U.S.C. 4631 through 4641.

(e) *Disclosure to Congress.* This section may not be construed to authorize the withholding of any information from, or to prohibit the disclosure of any information to, the Congress or any committee or subcommittee thereof.

Subpart C—Availability of Records of OFHEO

§ 1703.11 Official records of OFHEO.

(a) OFHEO shall, upon a written request for records that reasonably describes the information or records and is made in accordance with the provisions of this subpart, make the records available as promptly as practicable to any person for inspection and/or copying, except as provided in paragraph (b) of this section. OFHEO may charge a fee determined in accordance with subpart D of this part. OFHEO will make the record available in the form or format requested if the record is readily reproducible in that form or format with reasonable effort. "Readily reproducible" means, with respect to electronic format, that the

requested record or records can be downloaded or transferred intact to a computer disk, tape, or other electronic medium using equipment currently in use by OFHEO.

(b) Records not available. Except as otherwise provided in this part, or as may be specifically authorized by the Director, the following information and records, or portions thereof, are not available to requesters:

(1) Any record, or portion thereof, that is—

(i) Specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy, and

(ii) Is in fact properly classified pursuant to such Executive order.

(2) Any record, or portion thereof, related solely to the internal personnel rules and practices of OFHEO.

(3) Any record, or portion thereof that is specifically exempted from disclosure by statute (other than 5 U.S.C. 552b), provided that such statute—

(i) Requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue, or

(ii) Establishes particular criteria for withholding or refers to particular types of matters to be withheld.

(4) Any matter that is a trade secret or that constitutes commercial or financial information obtained from a person and that is privileged or confidential.

(5) Any matter contained in inter-agency or intra-agency memoranda or letters that would not be available by law to a private party in litigation with OFHEO.

(6) Any information contained in personnel and medical files and similar files (including financial files) the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

(7) Any records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information—

(i) Could reasonably be expected to interfere with enforcement proceedings;

(ii) Would deprive a person of a right to fair trial or an impartial adjudication;

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution or an Enterprise regulated and examined by OFHEO that furnished information on a confidential basis, and, in the case of a record of information compiled by a criminal law enforcement authority in the course of a criminal investigation or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source;

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(vi) Could reasonably be expected to endanger the life or physical safety of any individual.

(8) Any matter that is contained in or related to examination, operating, or condition reports that are prepared by, on behalf of, or for the use of OFHEO.

(9) Any geological and geophysical information and data, including maps, concerning wells.

(c) Even if an exemption described in paragraph (b) of this section may be reasonably applicable to a requested record, or portion thereof, OFHEO may elect under the circumstances of any particular request not to apply the exemption to such requested record, or portion thereof. The fact that the exemption is not applied by OFHEO to any requested record, or portion thereof, has no precedential significance as to the application or nonapplication of the exemption to any other requested record, or portion thereof, no matter when the request is received.

(d) Any reasonably segregable portion of a record shall be provided to any person properly requesting such record after deletion of the portions which are exempt under this subpart. The amount of the information deleted shall be indicated on the released portion of the record, unless including that indication would harm an interest protected by the exemption in paragraph (b) of this section pursuant to which the deletion is made. If technically feasible, the amount of the information deleted shall be indicated at the place in the record where the deletion is made.

(e) This section does not authorize withholding of information or limit the availability of records to the public, except as specifically stated in this section. This section is not authority to withhold information from Congress.

§ 1703.12 Publicly available records.

(a) The records described in this paragraph are available for public inspection and copying, for a fee determined in accordance with subpart D of this part, at OFHEO's offices located at 1700 G Street, NW., Fourth Floor, Washington, DC 20552. Records created on or after November 1, 1996, and current indexes to all records described in paragraphs (a)(1), (a)(2), (a)(3), and (a)(4) of this section, including those created before November 1, 1996, are available electronically at <http://www.ofheo.gov/docs/>. The publicly available records include—

(1) Any final opinions issued by OFHEO, as well as orders made in adjudication of cases as set forth in § 1703.9 of subpart B of this part;

(2) Any statements of policy and interpretation that have been adopted by OFHEO and have not been published in the Federal Register;

(3) Any OFHEO administrative staff manuals and instructions to staff that affect a member of the public, and that are not exempt from disclosure under the Freedom of Information Act;

(4) Copies of all records released pursuant to this subpart that OFHEO determines have become or are likely to become the subject of subsequent requests for substantially the same records; and

(5) Current indexes to the records described in this paragraph.

(b) To the extent necessary to prevent an invasion of personal privacy, the Director may delete identifying details from a record described in paragraph (a) of this section. In each case of such deletion, the justification will be clearly explained in writing and the extent of such deletion indicated (at the place in the record where the deletion is made if technically feasible), unless including that indication would harm an interest protected by the exemption in § 1703.11(b) pursuant to which the deletion is made.

§ 1703.13 Requests for records.

(a) Addressing requests. Requests for records in the possession of OFHEO shall be made in writing but may be submitted by regular mail, electronic mail, or facsimile. If the request is sent by regular mail, the request shall be addressed to FOIA Officer, Office of Federal Housing Enterprise Oversight, 1700 G Street NW., Fourth Floor, Washington, DC 20552, with both the envelope and the letter marked “FOIA Request.” Electronic mail requests shall be addressed to foia-office@ofheo.gov, with “FOIA Request” in the subject line. Requests submitted by fax shall be sent to FOIA Officer at (202) 414-8917 and shall be clearly marked “FOIA Request.” All requests shall include the requester’s name, address, and telephone number. An improperly addressed request will be deemed not to have been received for purposes of the 20-day time period set forth in § 1703.17(a) of this subpart until it is received, or would have

been received with the exercise of due diligence, by the FOIA Officer. Records requested in conformance with this subpart that are not exempt records may be obtained in person, by regular mail, or by electronic mail, as specified in the request, provided the records are readily reproducible in the requested form or format with reasonable effort. Records to be obtained in person will be available for inspection or copying during business hours on a regular business day in the office of OFHEO.

(b) *Description of records.* Each request must reasonably describe the desired records in sufficient detail to enable OFHEO personnel to locate the records with a reasonable amount of effort. A request for a specific category of records will be regarded as fulfilling this requirement if it enables responsive records to be identified by a technique or process that is not unreasonably burdensome or disruptive of OFHEO operations.

(1) Whenever possible, a request should include specific information about each record sought, such as the date, title or name, author, recipient, and subject matter of the record.

(2) If the FOIA Officer determines that a request does not reasonably describe the records sought, he or she will either advise the requester what additional information is needed to locate the record or otherwise state why the request is insufficient. The FOIA Officer will also extend to the requester an opportunity to confer with OFHEO personnel with the objective of reformulating the request in a manner which will meet the requirements of this section.

§ 1703.14 Responses to requests.

(a) *Response to initial request.* The FOIA Officer of OFHEO is authorized to grant or deny any request for a record and to determine appropriate fees.

(b) *Referral to another agency.* When a requester seeks records that originated in another Federal Government agency, OFHEO will refer the request to the other agency for response. If OFHEO refers the request to another agency, it will notify the requester of the referral. A request for any records classified by some other agency will be referred to that agency for response.

(c) *Creating records.* If a person seeks information from OFHEO in a format that does not currently exist, OFHEO will make reasonable efforts to provide the information in the format requested. OFHEO is not required to create a new record of information to satisfy a request.

(d) *No responsive record.* If no records are responsive to the request, the FOIA Officer will so notify the requester in writing.

§ 1703.15 Form and content of responses.

(a) *Form of notice granting a request.* After the FOIA Officer has granted a request in whole or in part, the requester will be notified in writing. The notice shall describe the manner in which the record will be disclosed, whether by providing a copy of the record with the response or at a later date, or by making a copy of the record available to the requester for inspection at a reasonable time and place. The procedure for such an in-

spection may not unreasonably disrupt the operation of OFHEO. The response letter will also inform the requester of any fees to be charged in accordance with the provisions of subpart D of this part.

(b) *Form of notice denying a request.* When the FOIA Officer denies a request in whole or in part, he or she will so notify the requester in writing. The response will be signed by the FOIA Officer and will include—

(1) The name and title or position of the person making the denial;

(2) An estimate of the volume of any requested matter that is withheld, unless providing the estimate would harm an interest protected by the exemption in § 1703.11(b) pursuant to which the denial was made;

(3) A brief statement of the reason or reasons for the denial, including the FOIA exemption or exemptions which the FOIA Officer has relied upon in denying the request; and

(4) A statement that the denial may be appealed under § 1703.16 of this subpart and a description of the requirements of that section.

§ 1703.16 Appeals of denials.

(a) *Right of appeal.* If a request, including a request for expedited processing, has been denied in whole or in part, the requester may appeal the denial to: FOIA Appeals Officer, Office of Federal Housing Enterprise Oversight, 1700 G Street, NW, Fourth Floor, Washington DC 20552. Electronic appeals shall be submitted to foia__appeals__office@ofheo.gov with “FOIA Appeal” in the subject line.

(b) *Letter of appeal.* The appeal

must be in writing and submitted within 30 days of receipt of the denial letter. The appeal shall be submitted in the manner described in § 1703.13, except that it shall be clearly marked “FOIA Appeal” instead of “FOIA Request.” An appeal shall include a copy of the initial request, a copy of the letter denying the request in whole or in part, and a statement of the circumstances, reasons, or arguments advanced in support of disclosure of the requested record. An improperly addressed appeal shall be deemed not to have been received for the purposes of the 20-day time period set forth in § 1703.17(b) until it is received, or would have been received with the exercise of due diligence, by the Appeals Officer.

(c) *Action on appeal.* The disposition of an appeal will be in writing and will constitute the final action of OFHEO on a request. A decision affirming in whole or in part the denial of a request will include a brief statement of the reason or reasons for affirmance, including each FOIA exemption relied on. If the denial of a request is reversed in whole or in part on appeal, the request will be processed promptly in accordance with the decision on appeal.

(d) *Judicial review.* If the denial of the request for records is upheld in whole or in part, or, if a determination on the appeal has not been mailed at the end of the 20-day period or the last extension thereof, the requester is deemed to have exhausted his or her administrative remedies, giving rise to a right of judicial review under 5 U.S.C. 552(a)(4). However, a requester’s refusal of OFHEO’s offer of an opportunity to limit the scope of

the request or arrange an alternate time frame for processing the request shall be considered as a factor in determining whether “exceptional circumstances” exist, which permits a court in which a requester has sought judicial review, to grant a stay to allow OFHEO to complete its review of the records.

§ 1703.17 Time limits.

(a) *Initial request.* Following receipt of a request for records, the FOIA Officer will determine whether to comply with the request and will notify the requester in writing of his or her determination within 20 days (excluding Saturdays, Sundays, and legal holidays) after receipt of the request.

(b) *Appeal.* A written determination on an appeal submitted in accordance with § 1703.16 of this subpart will be issued within 20 days (excluding Saturdays, Sundays, and legal holidays) after receipt of the appeal. However, determination of an appeal of a denial of expedited processing will be issued as expeditiously as practicable. When a determination cannot be mailed within the applicable time limit, the appeal will nevertheless be processed. In such case, upon the expiration of the time limit, the requester will be informed of the reason for the delay, of the date on which a determination may be expected to be mailed, and of that person’s right to seek judicial review. The requester may be asked to forego judicial review until determination of the appeal.

(c) *Extension of time limits.* The time limits specified in either paragraph (a) or (b) of this section may be extended in unusual circumstances af-

ter written notice to the requester setting forth the reasons for the extension and the date on which a determination is expected to be made. If the date specified for the extension is more than 10 days after the initial time allowed for response, OFHEO will provide the requester an opportunity to limit the scope of the request or arrange for an alternate time frame for processing the request. As used in this paragraph, *unusual circumstances* means that there is a need to—

(1) Search for and collect the requested records from facilities that are separate from the office processing the request;

(2) Search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(3) Consult with another agency having a substantial interest in the determination of the request, or consult with various offices within OFHEO that have a substantial interest in the records requested.

(d) *Related requests.* OFHEO may aggregate multiple requests involving clearly related matters made by a single requester, or a group of requesters acting in concert, if OFHEO reasonably believes that such requests actually constitute a single request that would qualify as an “unusual circumstance.”

(e) *Expedited processing.* (1) Upon a demonstration of compelling need by the requester, OFHEO will grant a request for expedited processing of a FOIA request. If a request for expedited processing is granted, OFHEO will give the request priority and process it as soon as practicable.

(2) To show a compelling need for expedited processing, the requester shall provide a statement demonstrating that:

(i) The failure to obtain the requested records could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(ii) The requester’s main professional occupation or activity is information dissemination and there is a particular urgency to inform the public of government activity involved in the request beyond the public’s right to know about government activity generally.

(3) The requester’s statement of compelling need must be certified to be true and correct to the best of his or her knowledge and belief and must explain in detail the basis for requesting expedited processing. The formality of the certification required to obtain expedited treatment may be waived by OFHEO in its discretion.

(4) A requester seeking expedited processing will be notified within ten (10) working days of the receipt of the request whether expedited processing has been granted. If the request for expedited processing is denied, OFHEO will act on any appeal expeditiously.

§ 1703.18 Special procedures for business information.

(a) *In general.* Business information provided to OFHEO by a business submitter shall not be disclosed pursuant to an FOIA request except in accordance with this section.

(b) *Definitions.* For the purpose of this section, the following definitions shall apply:

(1) *Business information* means trade secrets or other commercial or financial information, provided to OFHEO by a submitter, which arguably is protected from disclosure under § 1703.11(b)(4), because disclosure could reasonably be expected to cause substantial competitive harm.

(2) *Business submitter* means any person or entity which provides business information, directly or indirectly, to OFHEO and who has a proprietary interest in the information.

(c) *Designation of business information.* Submitters of business information should use good-faith efforts to designate, by appropriate markings, either at the time of submission or at a reasonable time thereafter, those portions of their submissions which they deem to be protected under § 1703.11(b)(4). Any such designation will expire 10 years after the records were submitted to the Government, unless the submitter requests, and provides reasonable justification for, a designation period of longer duration.

(d) *Predisclosure notification.* (1) Except as is provided for in paragraph (i) of this section, the FOIA Officer shall, to the extent permitted by law, provide a submitter with prompt written notice of an FOIA request or administrative appeal encompassing its business information whenever required under paragraph (e) of this section. Such notice shall either describe the exact nature of the business information requested or provide copies of the records or portions thereof containing the business information.

(2) Whenever the FOIA Officer provides a business submitter with the notice set forth in paragraph (e)(1) of

this section, the FOIA Officer shall notify the requester that the request includes information that may arguably be exempt from disclosure under § 1703.11(b)(4) and that the person or entity who submitted the information to OFHEO has been given the opportunity to comment on the proposed disclosure of information.

(e) *When notice is required.* OFHEO shall provide a business submitter with notice of a request whenever—

(1) The business submitter has in good faith designated the information as business information deemed protected from disclosure under § 1703.11(b)(4); or

(2) OFHEO has reason to believe that the request seeks business information the disclosure of which may result in substantial commercial or financial injury to the business submitter.

(f) *Opportunity to object to disclosure.* Through the notice described in paragraph (d) of this section, OFHEO shall, to the extent permitted by law, afford a business submitter at least 10 days (excluding Saturdays, Sundays, and legal holidays) within which it can provide OFHEO with a detailed written statement of any objection to disclosure. Such statement shall demonstrate why the information is contended to be a trade secret or commercial or financial information that is privileged or confidential and why disclosure would cause competitive harm. Whenever possible, the business submitter's claim of confidentiality should be supported by a statement or certification by an officer or authorized representative of the busi-

ness submitter. Information provided by a submitter pursuant to this paragraph may itself be subject to disclosure under the FOIA.

(g) *Notice of intent to disclose.* (1) The FOIA Officer shall consider carefully a business submitter's objections and specific grounds for nondisclosure prior to determining whether to disclose business information. Whenever the FOIA Officer decides to disclose business information over the objection of a business submitter, the FOIA Officer shall forward to the business submitter a written notice at least 10 days (excluding Saturdays, Sundays, and legal holidays) before the date of disclosure containing—

(i) A statement of the reasons for which the business submitter's disclosure objections were not sustained,

(ii) A description of the business information to be disclosed, and

(iii) A specified disclosure date.

(2) Such notice of intent to disclose likewise shall be forwarded to the requester at least 10 days (excluding Saturdays, Sundays, and legal holidays) prior to the specified disclosure date.

(h) *Notice of FOIA lawsuit.* Whenever a requester brings suit seeking to compel disclosure of business information, the FOIA Officer shall promptly notify the business submitter of such action.

(i) *Exceptions to predisclosure notification.* The requirements of this section shall not apply if—

(1) The FOIA Officer determines that the information should not be disclosed;

(2) The information lawfully has been published or has been officially

made available to the public;

(3) Disclosure of the information is required by law (other than the Freedom of Information Act); or

(4) The designation made by the submitter in accordance with paragraph (c) of this section appears obviously frivolous; except that, in such a case, the FOIA Officer will provide the submitter with written notice of any final decision to disclose business information within a reasonable number of days prior to a specified disclosure date.

Subpart D—Fees for Provision of Information

§ 1703.21 Definitions.

For the purpose of this subpart, the following definitions shall apply:

(a) *Commercial use request* means a request for information that is from, or on behalf of, a requester seeking information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is being made. To determine whether a request is properly classified as a commercial use request, OFHEO shall determine the purpose for which the requested records shall be used. If OFHEO has reasonable cause to doubt the purpose specified in the request for which a requester will use the records sought, or where the purpose is not clear from the request itself, OFHEO shall seek additional clarification before assigning the request to a specified category.

(b) *Direct costs* means the expenditures actually incurred by OFHEO in searching for and reproducing records to respond to a request for in-

formation. In the case of a commercial use request, the term also means those expenditures OFHEO actually incurs in reviewing records to respond to the request. The direct costs shall include the cost of the time of the employee performing the work, determined in accordance with § 1703.22(b)(1)(i), the cost of any computer searches, determined in accordance with § 1703.22(b)(1)(ii), and the cost of operating duplication equipment. Not included in direct costs are overhead expenses such as costs of space, and heating or lighting the facility in which the records are stored. Direct costs also include the costs incurred by OFHEO for any contract services that may be needed to respond to a request.

(c) *Educational institution* means a preschool, a public or private elementary or secondary school, an institution of undergraduate higher education, an institution of graduate higher education, an institution of professional education, and an institution of vocational education, which operates a program or programs of scholarly research.

(d) *Noncommercial scientific institution* refers to an institution that is not operated on a commercial, trade, or profit basis and which is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(e) *Representative of the news media* means any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term “news” means information that is about cur-

rent events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large and publishers of periodicals (but only in those instances in which the periodicals can qualify as disseminators of “news”) who make their products available for purchase or subscription by the general public. These examples are not intended to be all-inclusive. As traditional methods of news delivery evolve, e.g., electronic dissemination of newspapers through telecommunication services, such alternative media, would be included in this category. “Freelance” journalists may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization even though they are not actually employed by the organization. A publication contract would be the clearest proof that a journalist is working for a news organization, but OFHEO may look to the requester’s past publication record to determine whether a journalist is working for a news organization.

(f) *Reproduce and reproduction* means the process of making a copy of a record necessary to respond to a request for information. Such copies take the form of paper copy, microfilm, audio-visual materials, or machine-readable documentation, e.g., magnetic tape or disk. The copy provided shall be in the form or format requested, provided the record is readily reproducible in that form or format with reasonable effort, and shall be in a form reasonably usable by the requesters.

(g) *Review* means the process of

examining records located in response to a request for information to determine whether any portion of any record located is permitted to be withheld. It also includes processing any records for disclosure, e.g., doing all that is necessary to prepare the records for release. The term “review” does not include the time spent resolving general legal or policy issues regarding the application of exemptions. OFHEO shall only charge fees for reviewing records in response to a commercial use request.

(h) The term *search* includes all time spent looking for material that is responsive to a request for information, including page-by-page or line-by-line identification of material within records. The term “search” includes the extraction of information from a computer using existing programming. Searching for materials shall be done in the most efficient and least expensive manner so as to minimize the costs of OFHEO and the requester. For example, a line-by-line search for responsive material should not be performed when merely reproducing an entire document would be less expensive and the faster method of complying with the request for information. A “search” for material that is responsive to a request should be distinguished from a “review” of material to determine whether the material is exempt from disclosure.

§ 1703.22 Fees to be charged—general.

(a) Generally, the fees charged for requests for records pursuant to the Freedom of Information Act will cover the full allowable direct costs of search-

ing for, reproducing, and reviewing records that are responsive to a request for information. Fees will be assessed according to the schedule contained in paragraph (b) of this section and the category of requesters described in § 1703.23 of this subpart for services rendered by OFHEO staff in responding to, and processing requests for, records under this part. Fees assessed shall be paid by check or money order payable to the Office of Federal Housing Enterprise Oversight.

(b) *Types of charges.* The types of charges that may be assessed in connection with the production of records in response to a FOIA request are as follows:

(1) *Searches.* (i) *Manual searches for records.* OFHEO will charge for actual search time, billed in 15-minute segments, at a rate determined by whether the employee performing the work is classified as clerical, professional, or executive. The hourly fee for each classification is based on the average of the actual compensation (salary and benefits) of employees in the classification and is adjusted periodically to reflect significant changes in the average compensation of the class. The “executive” classification includes the senior management of OFHEO, i.e. Director, Deputy Director, Associate Directors and Deputy Associate Directors. The “clerical” classification includes employees performing primarily secretarial, clerical, or ministerial tasks. The “professional” classification includes all positions not classified as “executive” or “clerical.” A current fee schedule is available electronically at <http://www.ofheo.gov/docs/> or by regular mail.

(ii) *Computer searches for records.*

Requesters will be charged at the actual direct costs of conducting a search using existing programming. These direct costs will include the cost of operating the computer equipment for that portion of operating time that is directly attributable to searching for records and the cost of the time of the employee performing the work, determined as described in paragraph (b)(1)(i) of this section. A charge will also be made for any substantial amounts of special supplies or materials used to contain, present, or make available the output of computers, based upon the prevailing levels of costs to OFHEO for the type and amount of such supplies of materials that are used. Nothing in this paragraph shall be construed to entitle any person or entity, as of right, to any services in connection with computerized records, other than services to which such person or entity may be entitled under the provisions of this subpart.

(iii) *Unproductive searches.*

OFHEO may charge search fees even if no records are found that are responsive to the request or if the records found are exempt from disclosure.

(2) *Reproduction.* Records will be photocopied at a rate of \$.15 per page. For copies prepared by computer, such as tapes or printouts, the requester will be charged the actual cost, including operator time, of production of the tape or printout. For other methods of reproduction, the actual direct costs of reproducing the record(s) will be charged.

(3) *Review.* Only requesters who are seeking records for commercial use may be charged for time spent review-

ing records to determine whether they are exempt from mandatory disclosure. Charges may be assessed only for initial review, i.e., the review undertaken the first time OFHEO analyzes the applicability of a specific exemption to a particular record or portion of a record. Records or portions of records withheld in full under an exemption that is subsequently determined not to apply may be reviewed again to determine the applicability of other exemptions not previously considered. The costs for such a review are properly assessable.

(4) *Other services and materials.*

Where OFHEO elects, as a matter of administrative discretion, to comply with a request for a special service or materials, such as certifying that records are true copies or sending records by special methods, the actual direct costs of providing the service or materials will be charged.

§ 1703.23 Fees to be charged—categories of requesters.

(a) *Fees for various requester categories.* Paragraphs (b) through (e) of this section state, for each category of requester, the types of fees generally charged by OFHEO. However, for each of these categories, the fees may be limited, waived or reduced in accordance with the provisions set forth in paragraph (c) of § 1703.24. If OFHEO has reasonable cause to doubt the purpose specified in the request for which a requester will use the records sought, or where the purpose is not clear from the request itself, OFHEO will seek clarification before assigning the request a specific category.

(b) *Commercial use requester.*

OFHEO shall charge fees for records requested by persons or entities making a commercial use request in an amount that equals the full direct costs for searching for, reviewing for release, and reproducing the records sought. Commercial use requesters are not entitled to 2 hours of free search time nor 100 free pages of reproduction of records. In accordance with § 1703.22, commercial use requesters may be charged the costs of searching for and reviewing records even if there is ultimately no disclosure of records.

(c) *Educational and noncommercial scientific institutions.* OFHEO shall charge fees for records requested by, or on behalf of, educational institutions and noncommercial scientific institutions in an amount which equals the cost of reproducing the records responsive to the request, excluding the cost of reproducing the first 100 pages. No search fee shall be charged with respect to requests by educational and noncommercial scientific institutions. For a request to be included in this category, requesters must show that the request being made is authorized by and under the auspices of a qualifying institution, and that the records are not sought for commercial use but are sought in furtherance of scholarly research (if the request is from an educational institution) or scientific research (if the request is from a non-commercial scientific institution).

(d) *News media.* OFHEO shall charge fees for records requested by representatives of the news media in an amount which equals the cost of reproducing the records responsive to the request, excluding the costs of reproducing the first 100 pages. No

search fee shall be charged with respect to requests by representatives of the news media. For a request to be included in this category, the requester must qualify as a representative of the news media and the request must not be made for a commercial use. A request for records supporting the news dissemination function of the requester shall not be considered to be a request that is for commercial use.

(e) *All other requesters.* OFHEO shall charge fees for records requested by persons or entities that are not classified in any of the categories listed in paragraphs (b), (c), or (d) of this section in an amount that equals the full reasonable direct cost of searching for and reproducing records that are responsive to the request, excluding the first 2 hours of search time and the cost of reproducing the first 100 pages of records. In accordance with § 1703.22, requesters in this category may be charged the cost of searching for records even if there is ultimately no disclosure of records, excluding the first 2 hours of search time.

(f) For purposes of the exceptions contained in this section on assessment of fees, the word “pages” refers to paper copies of 8 1/2 x 11 or 11 x 14. Thus, requesters are not entitled to 100 microfiche or 100 computer disks, for example. A microfiche containing the equivalent of 100 pages or a computer disk containing the equivalent of 100 pages of computer printout meets the terms of the exception.

(g) For purposes of paragraph (e) of this section, the term “search time” has as its basis, manual search. To apply this term to searches made by computer, OFHEO will determine the hourly

cost of operating the computer equipment and the operator's time determined as described in paragraph (b)(1)(i) of § 1703.22. When the cost of the search (including the operator's time and the cost of operating the computer equipment to process a request) equals the equivalent dollar amount of two hours of the time of the person performing the work, i.e., the operator, OFHEO will begin assessing charges for the computer.

§ 1703.24 Limitations on charging fees.

(a) *In general.* Except for requesters seeking records for a commercial use as described in paragraph (b) of § 1703.23, OFHEO will provide, without charge, the first 100 pages of duplication and the first 2 hours of search time, or their cost equivalent.

(b) *No fee charged.* OFHEO will not charge fees to any requester, including commercial use requesters, if the cost of collecting a fee would be equal to or greater than the fee itself. The elements to be considered in determining the "cost of collecting a fee" are the administrative costs of receiving and recording a requester's remittance and of processing the fee.

(c) *Waiver or reduction of fees.* OFHEO may grant a waiver or reduction of fees if OFHEO determines that the disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Federal Government, and the disclosure of the information is not primarily in the commercial interest of the requester. Requests for a waiver or reduction of fees will be considered

on a case-by-case basis.

(1) The following factors will be considered by OFHEO in determining whether a waiver or reduction of fees is in the public interest:

(i) *The subject of the request: Whether the subject of the requested records concerns "the operations or activities of the Government."* The subject matter of the requested records, in the context of the request, must specifically concern identifiable operations or activities of the Federal Government with a connection that is direct and clear, not remote or attenuated. Furthermore, the records must be sought for their informative value with respect to those Government operations or activities; a request for access to records for their intrinsic informational content alone will not satisfy this threshold consideration.

(ii) *The informative value of the information to be disclosed: Whether the disclosure is "likely to contribute" to an understanding of Government operations or activities.* The disclosable portions of the requested records must be meaningfully informative on specific Government operations or activities in order to hold potential for contributing to increased public understanding of those operations and activities. The disclosure of information that is already in the public domain, in either a duplicative or substantially identical form, would not be likely to contribute to such understanding, as nothing new would be added to the public record.

(iii) *The contribution to an understanding of the subject by the general public: Whether disclosure of the requested information will contribute to*

the “public understanding.” The disclosure must contribute to the understanding of the public at large, as opposed to the individual understanding of the requester or a narrow segment of interested persons. A requester’s identity and qualifications, e.g., expertise in the subject area and ability and intention to convey information to the general public, will be considered.

(iv) *The significance of the contribution in public understanding: Whether the disclosure is likely to “significantly enhance” the public understanding of Government operations or activities.* The public’s understanding of the subject matter in question, as compared to the level of public understanding existing prior to the disclosure, must be likely to be enhanced by the disclosure to a significant extent. The FOIA Officer shall not make a separate value judgment as to whether information, even though it in fact would contribute significantly to public understanding of the operations or activities of the Government, is “important” enough to be made public.

(2) In order to determine whether the second fee waiver requirement is met, i.e., that disclosure of the requested information is not primarily in the commercial interest of the requester, OFHEO shall consider the following two factors in sequence:

(i) *The existence and magnitude of a commercial interest: Whether the requester, or any person on whose behalf the requester may be acting, has a commercial interest that would be furthered by the requested disclosure.* In assessing the magnitude of identified commercial interests, consideration

will be given to the effect that the information disclosed would have on those commercial interests, as well as to the extent to which FOIA disclosures serve those interests overall. Requesters shall be given a reasonable opportunity in the administrative process to provide information bearing upon this consideration.

(ii) *The primary interest in disclosure: Whether the magnitude of the identified commercial interest of the requester is sufficiently large in comparison with the public interest in disclosure, that disclosure is “primarily in the commercial interest of the requester.”* A fee waiver or reduction is warranted only where, once the “public interest” standard set out in paragraph (c)(1) of this section is satisfied, that public interest can fairly be regarded as greater in magnitude than that of the requester’s commercial interest in disclosure. OFHEO will ordinarily presume that, where a news media requester has satisfied the public interest standard, the public interest will be serviced primarily by disclosure to that requester. Disclosure to requesters who compile and market Federal Government information for direct economic return will not be presumed to primarily serve the “public interest.”

(3) Where only a portion of the requested record satisfies the requirements for a waiver or reduction of fees under this paragraph, a waiver or reduction shall be granted only as to that portion.

(4) A request for a waiver or reduction of fees must accompany the request for disclosure of records and should include—

(i) A clear statement of the requester's interest in the records;

(ii) The proposed use of the records and whether the requester will derive income or other benefit from such use;

(iii) A statement of how the public will benefit from release of the requested records; and

(iv) If specialized use of the documents is contemplated, a statement of the requester's qualifications that are relevant to the specialized use.

(5) A requester may appeal the denial of a request for a waiver or reduction of fees in accordance with the provisions of § 1703.16.

§ 1703.25 Miscellaneous fee provisions.

(a) *Notice of anticipated fees in excess of \$25.00.* Where OFHEO determines or estimates that the fees chargeable will amount to more than \$25.00, OFHEO shall promptly notify the requester of the actual or estimated amount of fees or such portion thereof that can be readily estimated, unless the requester has indicated his or her willingness to pay fees as high as those anticipated. Where a requester has been notified that the actual or estimated fees may exceed \$25.00, the request will be deemed not to have been received until the requester has agreed to pay the anticipated total fee. A notice to the requester pursuant to this paragraph will include the opportunity to confer with OFHEO personnel in order to reformulate the request to meet the requester's needs at a lower cost.

(b) *Aggregating requests.* A requester may not file multiple requests

at the same time, each seeking portions of a record or records, solely in order to avoid the payment of fees. When OFHEO reasonably believes that a requester, or a group of requesters acting in concert, is attempting to break a request into a series of requests for the purpose of evading the assessment of fees, OFHEO may aggregate such requests and charge accordingly. One element to be considered in determining whether a belief would be reasonable is the time period over which the requests have occurred. OFHEO will presume that multiple requests of this type made within a 30-day period have been made in order to evade fees. Where requests are separated by a longer period, OFHEO shall aggregate them only where there exists a solid basis for determining that such aggregation is warranted, e.g., where the requests involve clearly related matters. Multiple requests regarding unrelated matters will not be aggregated.

(c) *Advance payment of fees.* (1) OFHEO does not require an advance payment before work is commenced or continued, unless—

(i) OFHEO estimates or determines that the fees are likely to exceed \$250.00. If it appears that the fees will exceed \$250.00, OFHEO will notify the requester of the likely cost and obtain satisfactory assurance of full payment where the requester has a history of prompt payment of FOIA fees. In the case of requesters with no history of payment, OFHEO may require an advance payment of fees in an amount up to the full estimated charge that will be incurred; or

(ii) The requester has previously failed to pay a fee in a timely fashion,

i.e., within 30 days of the date of a billing. In such cases, OFHEO may require the requester to pay the full amount owed plus any applicable interest, as provided in paragraph (d) of this section, or demonstrate that the fee owed has been paid, prior to processing any further record request. Under these circumstances, OFHEO may require the requester to make an advance payment of the full amount of the fees anticipated before processing a new request or finishing processing of a pending request from that requester.

(2) A request for an advance deposit shall include an offer to the requester to confer with identified OFHEO personnel to attempt to reformulate the request in a manner which will meet the needs of the requester at a lower cost.

(3) When OFHEO requests an advance payment of fees, the administrative time limits described in 5 U.S.C. 552(a)(6) begin only after OFHEO has received the advance payment.

(d) *Interest.* OFHEO may assess interest charges on an unpaid bill starting on the 31st day following the day on which the bill was sent. Once a fee payment has been received by OFHEO, even if not processed, the accrual of interest shall be stayed. Interest charges shall be assessed at the rate prescribed in 31 U.S.C. 3717 and shall accrue from the date of the billing.

Subpart E—Testimony and Production of Documents in Legal Proceedings in Which OFHEO Is Not a Named Party

§ 1703.31 General purposes.

The purposes of this subpart are to maintain the confidentiality of official documents and information of OFHEO, conserve the time of employees for their official duties, maintain the impartial position of OFHEO in litigation in which OFHEO is not a named party, and enable the Director to determine when to authorize testimony and to produce documents in legal proceedings in which OFHEO is not a named party. This subpart sets forth the procedures to be followed with respect to testimony concerning official matters and production of official documents of OFHEO in legal proceedings in which OFHEO is not a named party. This subpart in no way affects the rights and procedures governing public access to official documents pursuant to the FOIA or the Privacy Act.

§ 1703.32 Definitions.

For the purpose of this subpart:

(a) *Court* means any entity conducting a legal proceeding.

(b) *Demand* means any order, subpoena, or other legal process for testimony or documents.

(c) *Legal proceeding* means any administrative, civil, or criminal proceeding, including a discovery proceeding therein, before a court of law, administrative board or commission, hearing officer, or other body in which OFHEO is not a named party or in which OFHEO has not instituted the administrative investigation or administrative hearing.

(d) *OFHEO Counsel* means the General Counsel or his or her designee, a Department of Justice attorney,

or counsel authorized by OFHEO to act on behalf of OFHEO or an employee.

§ 1703.33 General policy.

It is the policy of OFHEO that in any legal proceeding in which OFHEO is not a named party, no employee shall, in response to a demand, produce any documents contained in the files of OFHEO, or disclose any information relating to, or based upon, documents contained in the files of OFHEO, or disclose or produce any documents acquired as part of the performance of that employee's official duties or because of that employee's official status. Under appropriate circumstances, the Director may grant exceptions in writing to this policy when the Director determines that the testimony of employees or disclosure of official documents would be in the best interest of OFHEO or in the public interest. Prior to any authorized testimony or release of official documents, the requesting party shall obtain a protective order from the court before which the action is pending to preserve the confidentiality of the testimony or documents subsequently produced. The protective order shall be in a form satisfactory to OFHEO.

§ 1703.34 Request for testimony or production of documents.

(a) No employee shall give testimony concerning official matters or produce any official documents in any legal proceeding to which OFHEO is not a named party without the prior written authorization of the Director.

(b) If testimony by an employee concerning official matters or the production of official documents is de-

sired, the requesting party, or his or her attorney, shall submit a letter to the Director setting forth the title of the case, the forum, the requesting party's interest in the case, a summary of the issues in the litigation, the reasons for the request, and a showing that the desired testimony, documents, or information are not reasonably available from any other source. If an appearance or testimony is requested, the letter shall also set forth the intended use of the testimony, a general summary of the scope of the testimony requested, and a showing that no document could be provided and used in lieu of the testimony or other appearance requested.

(c) The General Counsel is authorized to consult with the requesting party or his or her attorney to refine and limit the request so that compliance is less burdensome, or obtain information necessary to make the determination described in § 1703.33 of this subpart. Failure of the requesting party, or his or her attorney, to cooperate in good faith with the General Counsel to enable the Director to make an informed determination under this subpart may serve as the basis for a determination not to comply with the request.

§ 1703.35 Scope of permissible testimony.

(a) The scope of permissible testimony by an employee is limited to that set forth in the written authorization granted that employee by the Director.

(b) Employees are not authorized to give opinion testimony, except as authorized by the Director. OFHEO, as the regulatory agency charged with

the responsibility of examining, supervising, and regulating the financial safety and soundness and capital adequacy of the Enterprises under the Federal Housing Enterprises Financial Safety and Soundness Act of 1992, 12 U.S.C. 4501 *et seq.*, relies on the ability of its employees to gather full and complete information in order to carry out its statutory responsibilities. The use of employees to give opinion testimony would hamper OFHEO's ability to carry out its statutory responsibilities and would cause a serious administrative burden on OFHEO's staff.

§ 1703.36 Manner in which testimony is given.

(a) Authorized testimony of employees ordinarily will be made available only through depositions or written interrogatories.

(b) Where, in response to a request, the Director determines that circumstances warrant authorizing testimony by an employee, the requesting party shall cause a subpoena to be served on the employee in accordance with applicable Federal or State rules of procedure, with a copy of the subpoena sent by registered or certified mail to the General Counsel.

(c) Normally, authorized depositions will be taken at OFHEO's office, at a time arranged with the employee that is reasonably fixed to avoid substantial interference with the performance of the employee's duties.

(d) Upon completion of the deposition of an employee, a copy of the transcript of the testimony shall be furnished, at the expense of the party requesting the deposition, to the General Counsel for OFHEO's files.

§ 1703.37 Manner in which documents will be produced.

(a) An employee's authorization to produce official documents is limited to the authority granted that employee by the Director.

(b) Certified or authenticated copies of official OFHEO documents authorized by the Director to be released under this subpart will be provided upon request.

§ 1703.38 Fees.

Unless waived or reduced, the following fees shall be charged for documents produced by OFHEO in connection with requests subject to this subpart:

(a) *Searches for documents.* OFHEO will charge for the actual search time of the employee performing the work, billed in the 15-minute segments, as described in § 1703.22(b)(1)(i).

(b) *Copying of documents.* The standard copying charge for documents in paper copy is \$.15 per page. When responsive information is provided in a format other than paper copy, such as in the form of computer tapes and disks, OFHEO will assess the direct costs of the tape, disk, or whatever medium is used to produce the information, as well as any related reproduction costs. Normally, only one copy will be provided. Additional copies will be provided only upon a showing of demonstrated need.

(c) *Certification or authentication of documents.* OFHEO will charge \$3.00 for each certification or authentication of documents.

(d) *Computer searches.* Services of personnel in the nature of a com-

puter search shall be charged at rates prescribed in paragraph (a) of this section. A charge shall be made for the computer time involved, based upon the prevailing level of costs to OFHEO and upon the particular types of computer and associated equipment and the amount of time that such equipment is utilized. A charge shall also be made for any substantial amount of special supplies or documents used to contain, present, or make available the output of computers, based upon prevailing levels of costs to OFHEO and upon the type and amount of such supplies or documents that are used.

(e) *Other costs.* When other services and documents not specifically identified in this section are requested and provided, their actual cost to OFHEO shall be charged.

(f) *Payments of fees.* A bill will be forwarded to the requesting party upon completion of the production. Payment shall be made by check or money order payable to the Office of Federal Housing Enterprise Oversight.

§ 1703.39 Responses to demands served on employees.

(a) *Advice by employee served.* Any employee who is served with a demand in a legal proceeding requiring his or her personal attendance as a witness or requiring the production of documents or information in any proceeding, shall immediately notify the General Counsel of such service, of the testimony and documents described in the demand, and of all relevant facts which may be of assistance to the General Counsel in determining whether the individual in question should be authorized to testify or the

documents requested should be made available.

(b) When authorization to testify or to produce documents has not been granted by the Director, OFHEO Counsel shall provide the party issuing the demand or the court with a copy of the regulations contained in this subpart and shall inform the party issuing the demand or the court that the employee upon whom the demand has been made is prohibited from testifying or producing documents without the prior approval of the Director.

(c) *Appearance by employee served.* Unless OFHEO has authorized disclosure of the information requested, any employee who has OFHEO information that may not be disclosed and who is required to respond to a subpoena or other legal process, shall attend at the time and place required and respectfully decline to disclose or to give any testimony with respect to the information, basing such refusal upon the provisions of this subpart. If the court nevertheless orders the disclosure of the information or the giving of testimony irrespective of instructions from the Director not to produce the documents or disclose the information sought, the employee upon whom the demand has been made shall continue to decline respectfully to disclose the information and shall report promptly the facts to OFHEO for such action as OFHEO may deem appropriate.

(d) A determination under this subpart to comply or not to comply with any demand shall not constitute an assertion or waiver of privilege, lack of relevance, technical deficiencies, or any other ground for noncom-

pliance. OFHEO reserves the right to oppose any demand on any legal ground independent of its determination under this subpart.

§ 1703.40 Responses to demands served on nonemployees.

(a) OFHEO reports of examinations, or any documents related thereto, are the property of OFHEO and are not to be disclosed to any person without the Director's prior written consent.

(b) If any person who has possession of an OFHEO report of examination, or any documents related thereto, is served with a demand in a legal proceeding directing that person to produce such OFHEO documents or to testify with respect thereto, such person shall immediately notify the General Counsel of such service, of the testimony and described documents in the demand, and of all relevant facts. Such person shall also object to the production of such documents or information contained therein on the basis that the documents are the property of OFHEO and cannot be released without OFHEO's consent and that their production must be sought from OFHEO following the procedures set forth in § 1703.33, paragraphs (b) and (c) of § 1703.34, and paragraph (b) of § 1703.37 of this subpart.

Subpart F—Rules and Procedures for Service Upon OFHEO

§ 1703.51 Service of process.

(a) Except as otherwise provided by OFHEO regulations, the Federal Rules of Civil Procedure, or order of a court with jurisdiction over OFHEO,

any legal process upon OFHEO, including a legal process served on OFHEO demanding access to its records under the FOIA, shall be duly issued and served upon the General Counsel and any OFHEO personnel named in the caption of the documents.

(b) Service of process upon the General Counsel may be effected by personally delivering a copy of the documents to the General Counsel or by sending a copy of the documents to the General Counsel by registered or certified mail, postage prepaid, to the Office of Federal Housing Enterprise Oversight, 1700 G Street, NW., Fourth Floor, Washington, DC 20552.
